EXPERIENCE

Self Employed

Jan 2019 - current

Code Mentor

- Adhered to social distancing protocols and wore mask or face shield at all times.
- Used coordination and planning skills to achieve results according to schedule.
- Taught the latest and in-demand skills in Web development to my students

Andela Talent Acceleration

July 2018 - October 2018

Software Engineer

I worked in a team of six developers for building Author's Heaven Project (A medium.com prototype web app). I worked on a couple of features such as forgot password, password reset, comment to mention a few which drive the project to a successful completion. A handful of Tools were used such as Git, Github, Pivotal Tracker, PostgreSQL, Sequelize (ORM), Nodejs, Expressjs, Reactjs, Travis, Heroku to mention a few.

EDUCATION

University Of Lagos

Dec 2008 - Dec 2014

Bachelor of Science in Electrical and Electronics Engineering
