EXPERIENCE

Freelancer

Code Mentor

Jan 2019 - current

- Taught the latest and in-demand skills in Web development to my students.
- Used coordination and planning skills to achieve results according to schedule.
- I did not only unblock my students when they encounter a bottleneck in a timely fashion but I ensure to tell them the reason for the error.

Andela

Software Engineer

July 2018 - October 2018

I worked in a team of six developers for building Author's Heaven Project.

- I worked implemented a forgot password feature
- I added a password reset feature
- I developed a comment feature
- I collaborated with other team members to drive the project to successful completion.
